Terms & Conditions

Shopify Maintenance Agreement

The client is explicitly responsible for covering any costs related to the following items, which are not included in the Shopify maintenance service:

1. Third-Party Apps, Subscriptions & Tools

All expenses associated with external Shopify apps, third-party integrations, or additional tools required for the store's functionality (e.g., email marketing apps, analytics tools, subscription apps, payment gateway add-ons) must be borne by the client.

2. Advertising & Marketing Budgets

Any cost related to paid promotions including but not limited to Meta Ads, Google Ads, influencer promotions, or third-party marketing platforms will be fully paid by the client. Madhura Technologies does not cover or reimburse any advertising budget.

3. Shopify & Infrastructure Costs

The client is responsible for the following mandatory Shopify and hosting-related charges:

- Shopify plan subscription fees
- Domain registration and renewal costs
- Shopify-approved SSL certification (typically included with Shopify, but any additional SSL-related expenses are the client's responsibility)

4. Future App Charges, Upgrades & Maintenance Costs

The client is responsible for the following mandatory Shopify and hosting-related charges:

- The additional subscription fees.
- Any development or implementation effort needed to update, fix, or adjust the store due to these changes (charged as per the agreed maintenance or hourly rate)
